

# RYDER BOMB TRUCK DIAGRAM (to scale)

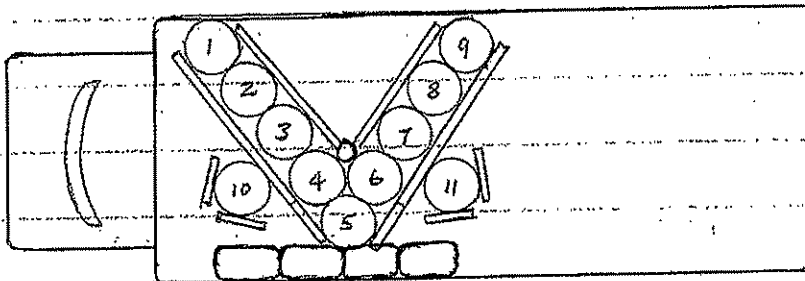

## #1 - Lori Fortier's Version

9-55gal. barrels in a V shape charge pattern

NOTE: Truck box width of 96" doesn't allow more than a 9 barrel V shape charge.

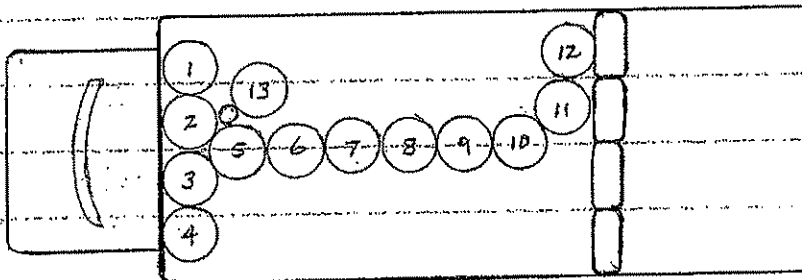

## #2 - Actual Geary Lake Version

11-55gal. barrels in a modified V shape charge pattern

with approx. 10-50lb. ANFO bags behind V

## #3 - McVeigh's Book Version

13-55gal. barrels in a backward J shape charge pattern

with 17 ANFO bags at back of shape charge
